

**CHOTA OUTDOOR GEAR**  
3W400 Tellico II Felt Sole Bootfoot Waders \$314.95

Featuring the same super light and super cool uppers as Chota's popular Tellico II Stocking Foot Waders, these new felt-soled bootfoot waders provide ultimate comfort and ease of entry. [www.chotaoutdoorgear.com](http://www.chotaoutdoorgear.com)

**CHOTA OUTDOOR GEAR**  
Steelheader Bootfoot Waders \$329.95

These rugged heavy-weight breathable waders are mated to boots that feature 4mm Closed Cell Neoprene insulation with fleece lining for superior warmth. [www.chotaoutdoorgear.com](http://www.chotaoutdoorgear.com)

**SIMMS FISHING CO.**  
G4 Guide Stockingfoot Waders \$699.95

The new ultimate in waders, the G4 Guide Stockingfoot will feature more 5-layer Gore-Tex fabric than ever before, and debut a patent-pending front seam construction for unprecedented durability and comfort. A YKK Aquateal waterproof center front for convenience is just one more innovation. [www.simmsfishing.com](http://www.simmsfishing.com)

**SIMMS FISHING CO.**  
Kid's Gore-Tex Stockingfoot Waders \$139.95

The first Gore-Tex waders for children, Simms' new Kid's Gore-Tex Stockingfoot are offered in three sizes: small (a youth size 8-10 with a 3-4 shoe), medium (a youth size 10-12 with a 4-5 shoe) and large (a youth size 12-14 with a 5-6 shoe). [www.simmsfishing.com](http://www.simmsfishing.com)

**CLOUDVEIL**  
Crystal Creek Wading Pant \$365

For days spent in and out of the boat or working the river's edge, the Crystal Creek Wading Pant is the ideal alternative to full chest waders. Gore-Tex Immersion Technology optimizes puncture resistance and mobility, while the removable suspenders, elasticized waist, and waterproof zippered fly add features for all-day comfort and appeal. **WILLIAM JOSEPH**  
V2 Waders \$179

William Joseph is offering new super-lightweight, high-performance fabrics, new colors and in several cases, new design technology. Highlights include the new V-2 Waders, a cost-efficient alternative for anglers looking for performance without breaking the bank. [www.williamjoseph.net](http://www.williamjoseph.net)

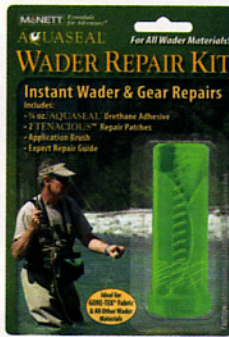

**CHOTA OUTDOOR GEAR**  
MK419 Marsh Boot II \$114.95

Chota's new Marsh Boot II features the exclusive RockLoc High Traction rubber sole for superior wet/dry traction and is designed to accept Chota's optional CL380 3/8-inch Case Hardened Steel Cleats for added traction on ice and snow as well other extreme conditions. [www.chotaoutdoorgear.com](http://www.chotaoutdoorgear.com)

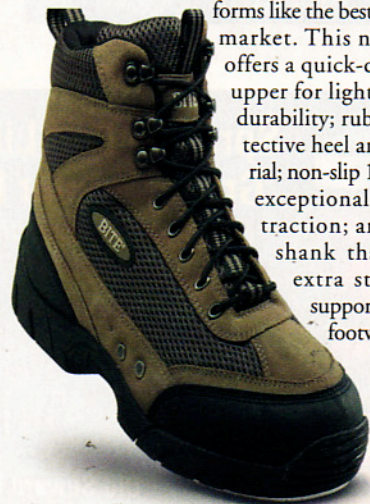

**PENN FISHING TACKLE**  
Foul-Weather Boots \$79.99

Designed for life on the water and featuring non-marking soles, Penn's Foul-Weather Boots help anglers stay dry when the weather turns nasty—and the fishing stays good. [www.pennreels.com](http://www.pennreels.com)

**MCCNETT CORPORATION**  
Aquateal Wader Repair Kit \$5.99

These compact kits contain a 1/2-ounce tube of Aquateal, two repair patches, adhesive brush and expert field repair tips, making them ideal for quick in-field fixes to leaking waders or outerwear. [www.mccnett.com](http://www.mccnett.com)

**BITE**  
Upstream Wading Shoe \$79.99

Bite's all-purpose fishing boot is soft like an athletic shoe for all-day comfort, yet performs like the best boots on the market. This new product offers a quick-drying suede upper for light weight and durability; rubberized protective heel and toe material; non-slip 10mm felt for exceptional wet surface traction; and a hidden shank that provides extra stability and support.
